EB Docket No. 01-39 **RECEIVED**

**SEP 23 2003**

**FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY**

To The Honorable Richard L. Sippel,  
Chief Administrative Law Judge

**STATUS REPORT**

Family Broadcasting, Inc. ("Family"), by its counsel and in response to the Presiding Judge's Order (FCC 03M-38) released September 11, 2003 in the above-captioned proceeding, hereby submits a Status Report concerning the pending application (the "Application") for assignment of licenses of Stations WSTX(AM) and WSTX-FM, Christiansted, Virgin Islands (the "Stations") from Family to Caledonia Communication Corporation ("Caledonia") (File Nos BAL-20030304AAX, BALH-20030304AAW)

1 As reported by Family in its Status Report filed herein on June 23, 2003, the FCC's local radio multiple ownership rules are implicated in the Media Bureau's processing of the Application since certain principals of Caledonia have other local broadcast interests. Therefore, in response to the Media Bureau's Public Notice DA 03-2642, released August 14, 2003, *lifting the freeze on the processing of applications for assignment and transfer of control* of commercial broadcast stations, Caledonia filed an amendment to the Application on August 25, 2003, demonstrating compliance with the revised multiple ownership rules adopted by the Commission on June 2, 2003. By letter to the Media Bureau dated September 4, 2003, Robert

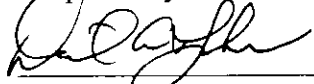

Hoffman, who had previously filed a petition to deny the Application, reiterated his protest, and Caledonia did not deem it necessary to file a response to Hoffman's letter.

2. By Public Notice DA 03-2840, released September 5, 2003, the Media Bureau announced a temporary freeze on the processing of assignment and transfer applications for commercial broadcast stations as a result of the Order issued by the U.S. Court of Appeals for the Third Circuit in Prometheus Radio Project v FCC, No. 03-3388 (Third Cir Sept 3, 2003) staying the effective date of the Commission's revised multiple ownership rules.

3 By Public Notice DA 03-2867, released September 10, 2003, the Media Bureau announced that the temporary freeze would be lifted and that assignment and transfer applications for commercial broadcast stations would be processed under the former multiple ownership rules. Since Caledonia had already made a showing of compliance with the former multiple ownership rules when the Application was originally filed on March 4, 2003, Caledonia had nothing further to file in response to Public Notice DA 03-2857.

4 To Family's knowledge, the Application is now being processed by the Media Bureau. Should the Presiding Judge require any additional information concerning this matter, Family will endeavor to provide it upon request.

Respectfully submitted,

Daniel A. Huber, Esquire
